Dear Attorney Gabel,  
Thank you for your attention and  
speed in preparing the Rule 11 plea  
agreement.

I am willing and ready to enter a plea  
of guilty to count two of the indictment  
provided that no additional jail time is  
ordered by the court. Considering Count  
one of the indictment will be dismissed,  
please remove the guideline section 2K2  
(b) (6) as well. Finally, please remove  
the special assessments of the plea.

While the court is reviewing the plea  
agreement, if it could be suggested; for  
health reasons, that I be housed in a  
halfway house or community setting.  
Since May 15<sup>th</sup> 09 I have been ill on 3  
separate occasions with a skin infection  
called Mersa and twice with fever.
